

## **INTERNSHIP OFFER LETTER**

December 05, 2023

Dear **Ajay Thakur**

We are delighted to extend our warmest congratulations to you on your selection for the esteemed "**Machine Learning**" internship position at Coding Samurai. Your application truly impressed us, and we are thrilled to welcome you to our dynamic team. Your journey with us will kick off on December 06, 2023 and culminate on January 06, 2024 encompassing an enriching Four-week period.

As an intern, we have full confidence in your ability to approach each assigned task with enthusiasm and dedication. We expect not only the completion of projects but also a proactive approach to absorbing knowledge and pushing your boundaries.

Guiding you along this transformative journey will be our team of experienced professionals, who will provide you with lawful and reasonable guidance to ensure a productive and fulfilling internship. By embracing these instructions, you will contribute not only to your own growth but also to the success of our projects.

We firmly believe that this internship will serve as a cornerstone in your career, offering insights and experiences that will resonate for years to come. The Coding Samurai team eagerly anticipates collaborating with you, as we work together to help you realize your career ambitions.

In this exciting phase of your career, we wish you the best of luck. Your triumphs will be our shared victories, and we are excited to witness your achievements as a valued member of our team.

Thank you once again for selecting Coding Samurai for your internship journey. We eagerly await your arrival on December 06, 2023.

Thanks for all that you do.
